Bush, aged seventy-three, died at 12:30 to-day at the home of her daughter, Mrs. William Churchill, on North Main street. Burial will take place at Aurora on Mon-

SUICIDE OF A WOMAN

Due to Worry Over the Prolonged Absence of a Daughter.

Special to the Indianapolis Journal. FRANKFORT, Ind., Nov. 30 .- It was n Ohio and who had refused to return, is assigned as the cause. When first taken ill it was denied that Mrs. Squires had made an attempt to take her life. In morning a note was found by her husband. which alluded to her daughter's continued absence. The Squires removed to the city a few months ago from Cuttler, Ind. The daughter, over whom it is thought Mrs. Squires worried until her reason was dethroned, returned home while her mother was breathing her last.

Self-Slain in a Cistern.

Special to the Indianapolis Journal. BRAZIL, Ind., Nov. 30,-This morning the body of Julia Mullinx, thirty years of age, was found in an old and abandoned cistern. at the home of her father, John Sharp, at years ago, in an accident while hauling gravel, and since that time Mrs. Mullinx has worried a great deal. It is believed she committed suicide, while in a state of temporary insanity. She retired last night as usual, but got up sometime in the night to kill herself.

TEACHERS' ASSOCIATIONS.

Successful Meetings Held in Many Cities of the State.

Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., Nov. 30 .- The Montgomery County Teachers' Association closed a two days' session at noon to-day. There was a large attendance and much interest was manifested. Among those who delivered addresses were Prof. Charles H. ficers are: W. V. Mangrum, Waveland, president; W. A. Millis, Crawfordsville, vice president; F. W. Wilson, Linden, secretary; Minnie Marshall Arlington, treasurer; G. W. Gaylor and J. H. Eubank, programme committee.

VINCENNES, Ind., Nov. 30.-The Knox County Teachers' Association closed a two days' session to-day. The following of-ficers were elected: President, Prof. W. M. Alsop; vice president, E. C. Williamson; secretary, Bertha Mckinley; treasurer, J. S. Hoover.

BRAZIL, Ind., Nov. 30 .- The Clay County Teachers' Association closed a two days' ession here this evening. The attendance was very large and many interesting papers were read and discussed. Prof. W. D. lowe, of Butler University, Indianapolis, delivered a brilliant address on "Florence" last evening at the Presbyterian Church, and this morning he lectured before the association on "The Character of Tenny-

A BIG PYTHON DIES. Faded Away Slowly and His Owner Mourns for Him.

New Orleans Times-Democrat. One of Mme. Paula's immense pythons is dead. He was boarding at an animal hotel down in Chartres street, he and the rest of the noted snake charmer's strange collection of pets. In the party are pythons, boa constrictors, alligators, and a little baby crocodile fresh from the river

Mme. Paula is well known in New Orleans. She was seen here last season at at West End. Her animals love her Principal George D. Pettee, of University | and she loves her animals, and she is specimen. He was about ten feet in length, and although fearful to look upon, was as gentle as a canary bird.

The big fellow had been sick for a long time. Now and then he seemed to have chills and would refuse his food. He had first-class apartments at Bartell's establishment. He was provided with a good bed of fresh, clean straw, and was offered nothing to eat except that which is regarded by snakes as delicacies. His mistress would come to see him and talk soothingly to him and pet and caress him in the hope that he would grow better. But day by day the glaze in his eye grew more pronounced and his form wasted

When the python was well he was goodnatured, sometimes affectionate, and really companionable to those whom he knew. But when he became sick he curled himself up in a series of rings, and his gloom frightened his host. It is not known what his ailment was. There was no one available who knew anything of the ills of snakes, and so nothing could be done but the jungle and his heart was sick of captivity. At any rate he was never vicious,

but pined and pined until one morning he was found cuduled up, dead. Mme. Paula's alligators are domiciled in a large box, into which is fitted a tank. Of course they must have water, and this water must be renewed every morning and every night. The animals will hiss and are perfectly docile when Mme. Paula is of the box, where they can look through a wire-covered opening. The pythons and boa constrictors travel in large wicker baskets. They are cold creatures, all of them, and great precaupreacher at Lithonia, Ga., married a young tion is necessary to prevent them from freezing. They are wrapped in great, thick cloths. Then they are placed in the bottom of the baskets, and when the weather is cold large bottles of hot water are placed on top of them. It does not seem possible that any living thing could breathe when subjected to such treatment, but it is in sketches were being published of Artemus | reality a substitute for the tropical cli-

His home is a little wooden box, of which he is the autocrat. nothing, but he was preceded everywhere Ordinarily he lies fallow, with his eyes by a laugh, as the Jews were preceded by closed. He seems to be inanimate. Even the breathing process cannot be observed. But let him hear a footfall and he opens his eyes, his tail becomes slightly erect, Alligators the size of this crocodile are no more harmful than kittens. They can various Englishmen who came to find him be handled with impunity, and even if with crepe on their hats, and raised the last | they were disposed to bite they could do laugh which shook the British world, like | no injury. But this little thing from Egypt Excelsion's going up with a private echo: is capable of doing a great deal of harm, and everybody is afraid of him. The only way in which he can be handled is by the back of the neck, and even then one must | north in command of the McCulloch. It | were present at the time were killed.
